

Sexual Assault Prevention Luncheon

31 May 07, 1130-1300
The Post Restaurant

Keynote speaker: Debra Puglisi Sharp

Debra lived every woman's worst nightmare. As she tended roses in her garden in April of 1998, a factory worker with a cocaine habit slipped through an open door. When her husband returned from work, he was brutally shot to death and his body hidden in the master bedroom. Debra, upon later entering their home, was bludgeoned, raped and abducted by her husband's murderer. Over a period of 101 hours, Debra was repeatedly raped and held captive until her escape on the fifth day. Hear the chilling 911 call that was broadcast across the nation....a call that connected Debra to the world outside her living hell.

Join us to hear a presentation that inspires
victims of violence to move on and
hear her compelling story and tale of survival.
